DECORATIVE METAL PANELS

A hand is shown holding a square decorative metal panel with a dark, textured finish. Several other square decorative metal panels are scattered around it, each with a different color and texture. The panels include a dark grey one, a gold one, a dark brown one, a light brown one, a dark brown one with a cracked texture, a dark brown one with a cracked texture, a dark brown one with a cracked texture, and a dark brown one with a cracked texture. The background is dark and out of focus.

DECORATIVE METAL MESH

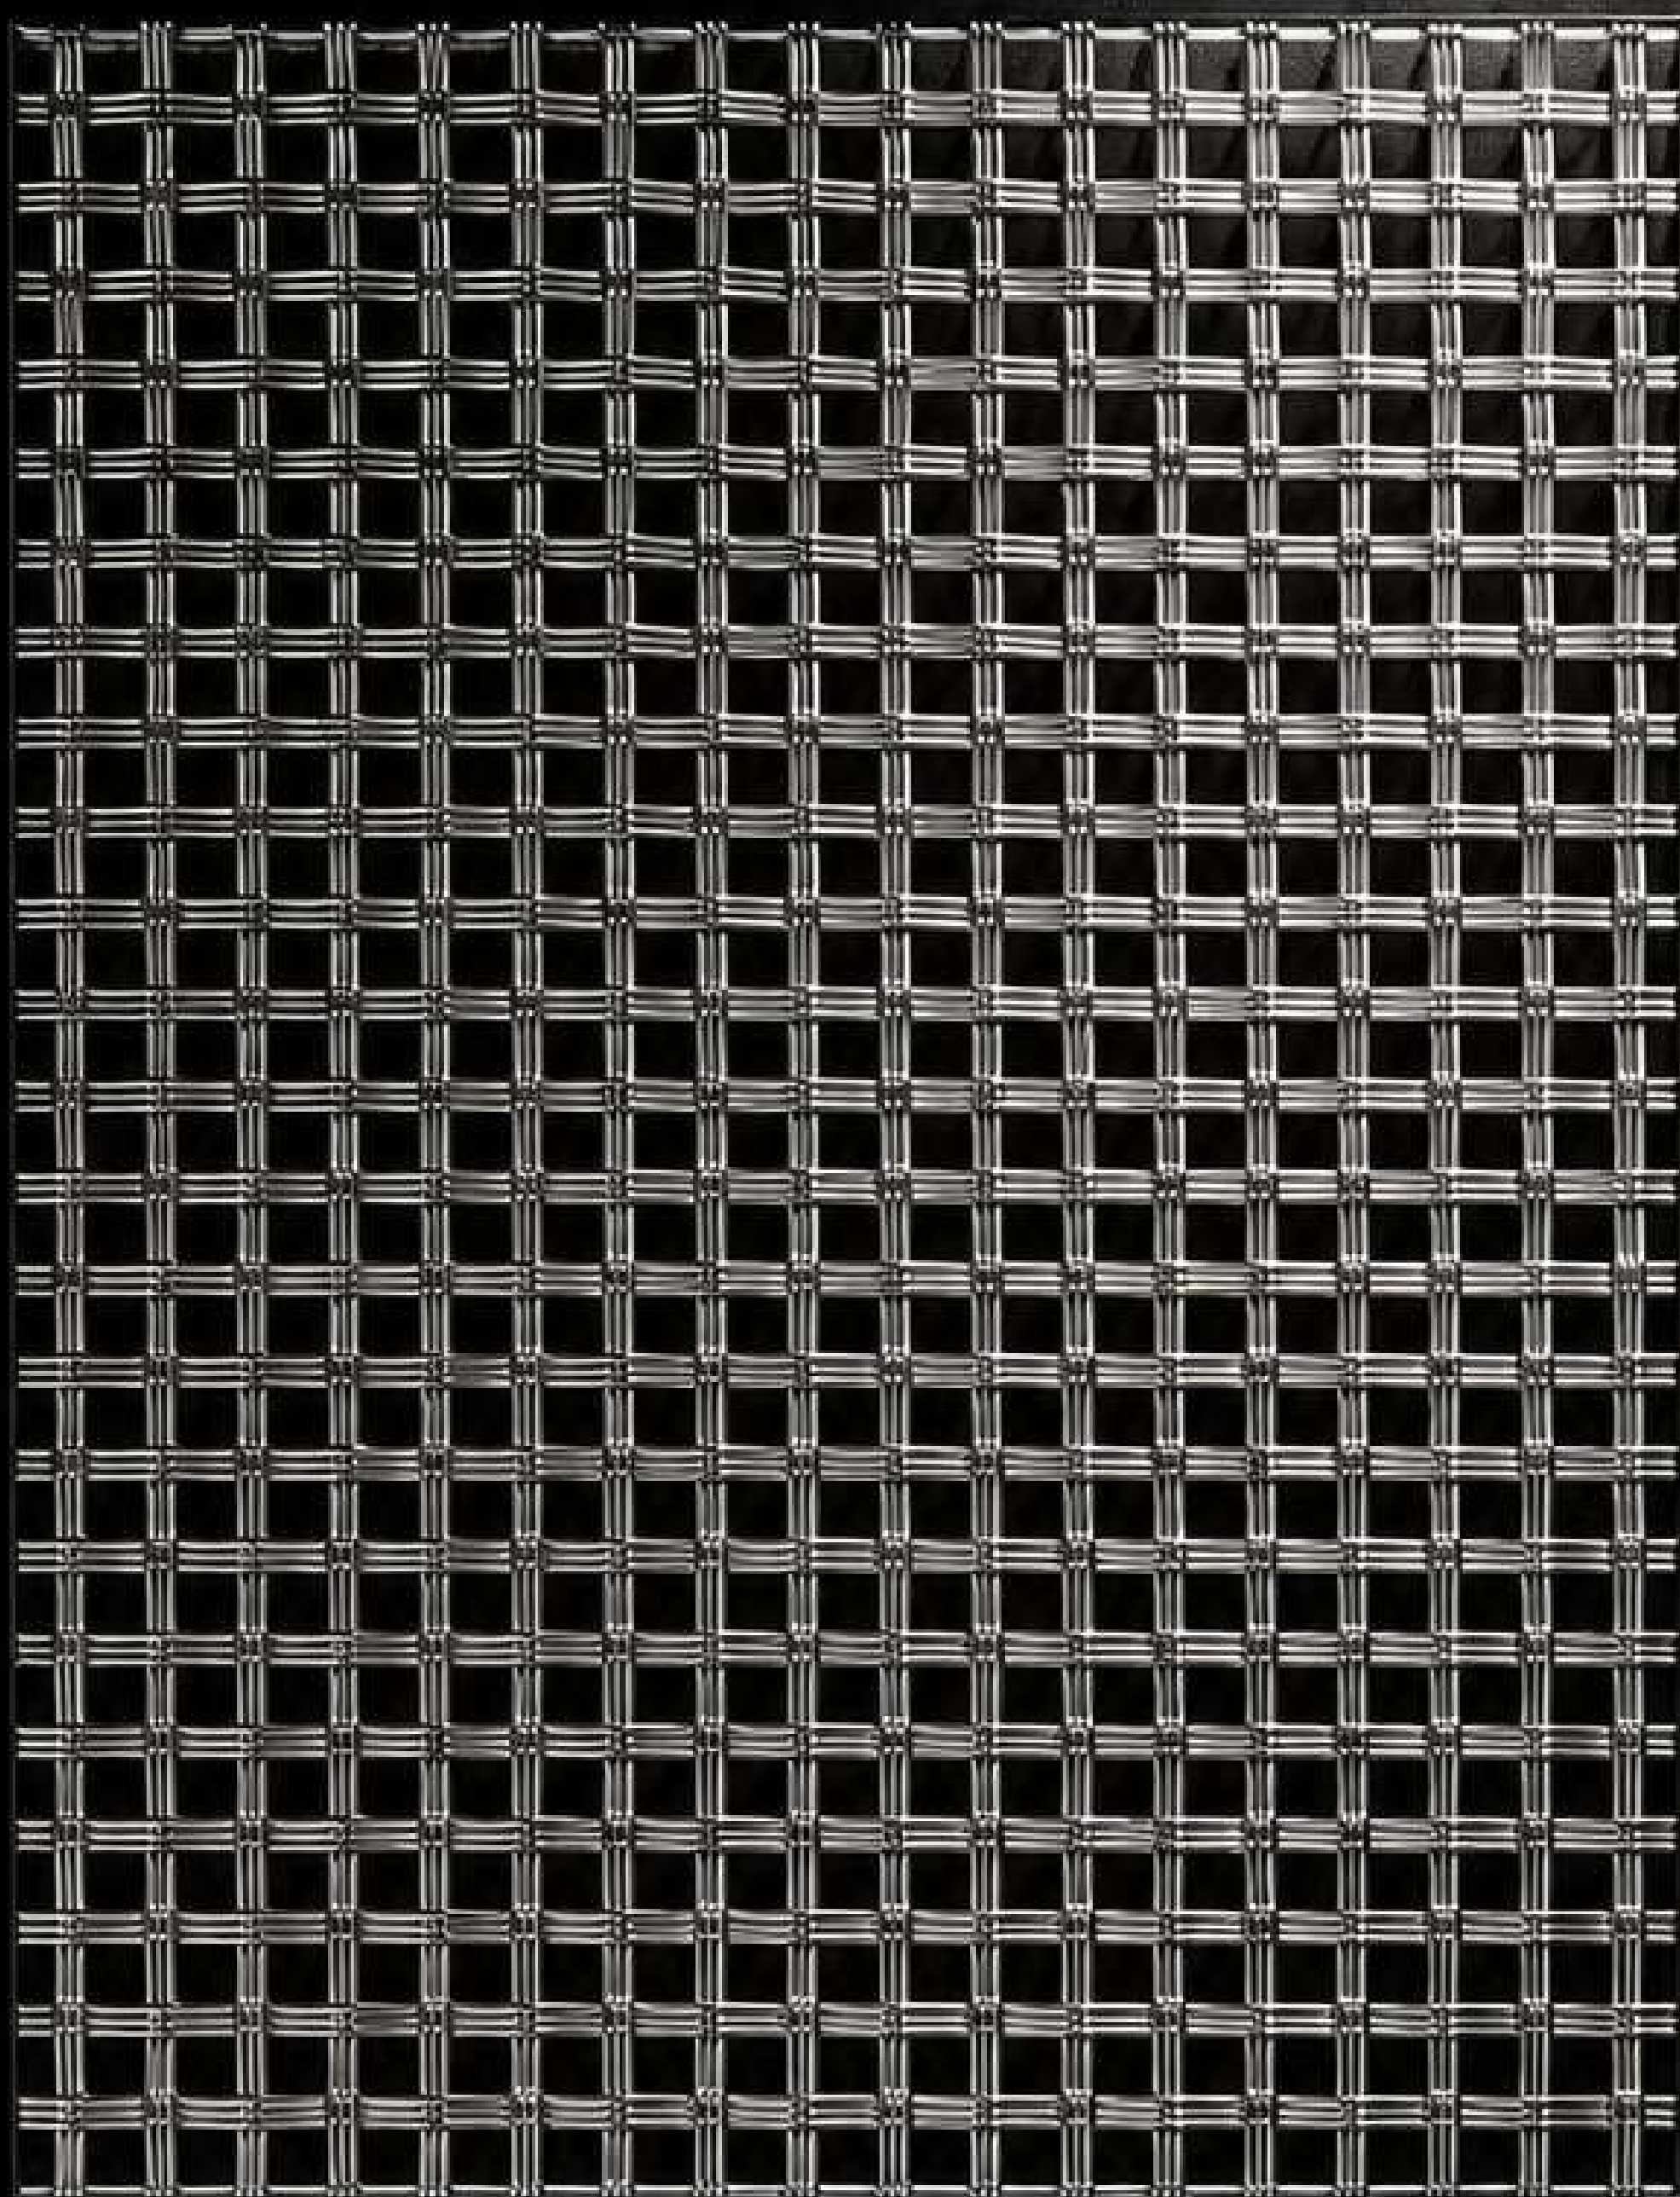

THE ABADI GROUP

The background of the image is a close-up, high-contrast photograph of decorative metal mesh. It features three distinct patterns: a fine, regular grid in the upper left; a larger, more complex woven pattern in the lower left; and a thick, interlocking chain-link style mesh in the upper right. The lighting creates bright highlights and deep shadows, emphasizing the metallic texture and geometric forms.

CRAFTED TO PERFECTION, INSTALLED WITH MASTERY

Every exceptional floor begins as a vision—but it's the expertise of our craftsmen and installers that brings it to life with precision and intention. At TAG, our team is known for its meticulous technique and deep understanding of how premium flooring should perform in a space. Working with high-quality materials and refined installation methods, they ensure flawless alignment, seamless transitions, and a finish that elevates the design. It's more than installation—it's craftsmanship that defines the elegance and longevity of every TAG interior.

TAG

INNOVATIVE | INTERIOR | CONSTRUCTION

At TAG, we collaborate with developers, architects, and designers to create spaces that stand the test of time. Our approach focuses on selecting high-quality materials that combine design, functionality, and aesthetics for residential, commercial, and hospitality projects. Every detail matters, and our expertise allows us to provide solutions that elevate the architectural experience in every environment.
